

STANDARD DICE TRAY: £23

A standard dice tray, sewn and lino printed with a design from my catalogue. If I don't have your desired design in stock, you can request one made-to-order for no extra charge.

COLOURFUL INK/CUSTOM COMBO: £24

For a single extra pound, I will happily print in a custom-mixed colour of ink instead of black or white, and/or print a custom combination of existing designs onto your dice tray.

SPONSOR A NEW DESIGN: £28

Don't see anything you like? Pay a fiver extra to sponsor a new print design! You receive a custom dice tray featuring your idea for less than I would usually charge for a print design commission, and I get a new design for my catalogue.

COMMISSION A ONE-OFF DESIGN: £33-£48

Got a really niche design in mind, or just don't want anyone else to have the same dice tray as you? You can also commission a one-off custom design, which won't be added to the catalogue and won't be printed anywhere else. Price based on design complexity.
